

Take Content & Learning to New Heights

A cloud platform consolidates disparate applications, providing a **uniform experience** and **comprehensive reporting**.

Marketing and sales teams have had their own cloud platforms for years, making their lives easier.

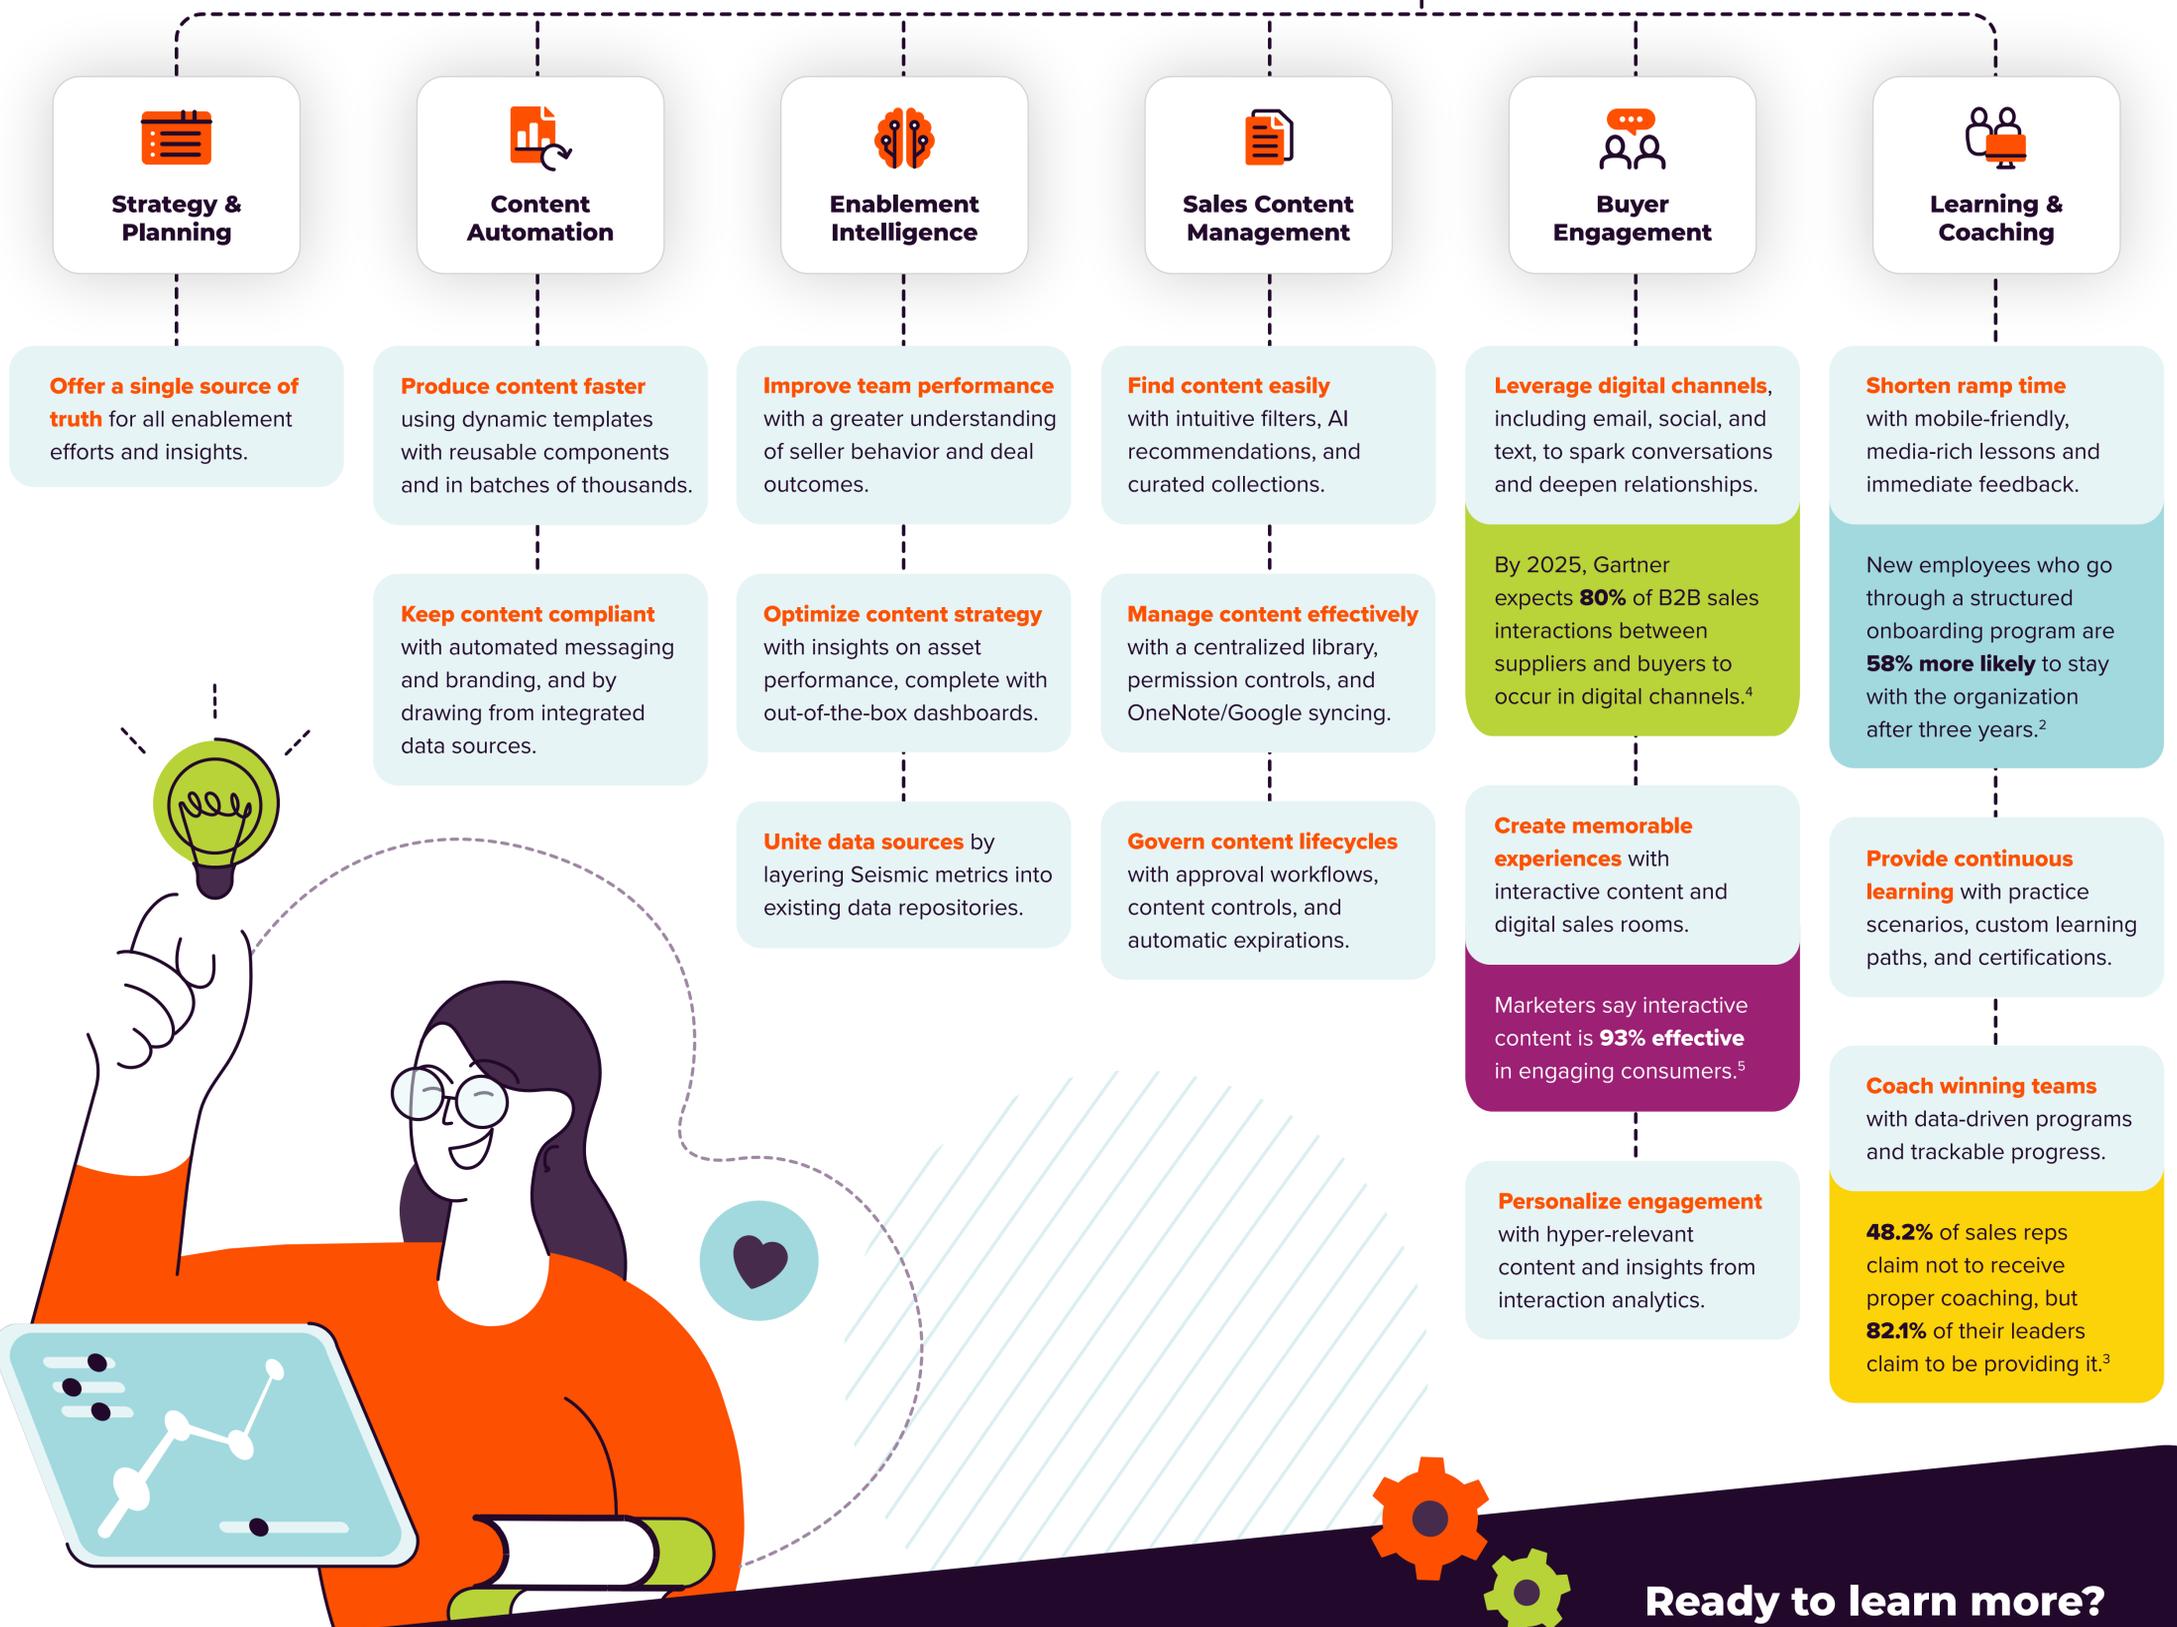

But enablement teams have been waiting for theirs...until now.

Modern workers regularly use more than 9 tools to do their jobs—and **68%** of them switch between tools **10 times an hour**.¹

What Can an Enablement Cloud Do?
